**Please find below and/or attached an Office communication concerning this application or proceeding.**

The time period for reply, if any, is set in the attached communication.

## **DETAILED ACTION**

### ***Correction of Typographical Error and Withdrawal of Finality***

This office action is to notify applicant that the previous Office Action mailed 7/9/2010 included a typographical error on the PTOL-326 stating that the action was a final rejection. Rather, the previous Office Action rejection mailed 7/9/2010 is a non-final rejection. Since the grounds of rejection remain the same, the time period for response has not been reset and continues to run from the mailing date of the previous Office Action (7/9/2010).

### ***Conclusion***

The prior art made of record on the attached PTO-892 form (if any) and not relied upon in the rejections above is considered pertinent to applicant's disclosure.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Victor MacArthur whose telephone number is (571) 272-7085. The examiner can normally be reached on 8:30am - 5:00pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Daniel P. Stodola can be reached on (571) 272-7087. The fax phone number for the organization where this application or proceeding is assigned is (571) 273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR
